## W Wine Club

### Worth searching for...

Sometimes the greatest pleasures are to be found on the path less trodden. We only make a few hundred cases of wine a year, so you are unlikely to find our wines in your local bottle shop and your friends, in all probability, will never have heard of us. But this is your chance to join the small but growing band of wine lovers who have discovered the unique experience of W Wine.

### Who we are

W Wine is a family owned business producing hand crafted, small batch wines from our vineyard just outside Mudgee in Central Western NSW. The wines showcase the unique flavours and style of a region which is one of Australia's hidden treasures: a long established wine producing area which consistently delivers rich, flavoursome, premium quality wines.

Our wines are made from grapes grown exclusively at our own vineyard, on the site of an old gold mine. The elevated location, rocky soils and our sustainable approach to viticulture produce approachable, enjoyable wines full of character which are well worth searching for.

### How it works

W Wine Club members will receive a mixed case of our wines twice per year at a discounted price. If you have a preference for reds or whites simply tell us and we will mix your next case accordingly.

### Additional benefits for W Wine Club members include:

- generous discounts for any additional cases of wine purchased
- regular newsletter, keeping you up to date with our vines/ your wines as well as happenings in the Mudgee region and other news for wine lovers
- exclusive member offers and the opportunity to be the first to try new release wines
